## News from The Gallery

### Painting of the Month

James Munnion  
*Quantock Hills*  
oil on canvas  
50 x 60 cm

West Country artist **James Munnion** is exhibiting three recent paintings in the Gallery Artists exhibition in April and May. James is a talented professional painter and printmaker who creates his work surrounded by the ever changing and dramatic landscapes of the Exmoor area, which constantly inspire his delightful paintings. Since establishing his studio in 2006, James has developed a prominent following and his paintings and prints have become highly collectable. I am delighted to be showing his work at Regent Gallery

### GALLERY OPENING 2009

Regent Gallery will be open this year from 3 April until 26 September, on Fridays, Saturdays and Bank Holidays from 11am to 4pm and also by appointment.
